ADVERTISEMENT For JRF (01)

Applications are invited for the post of one Junior Research Fellow (JRF) at the fixed fellowship amount of (Rs. 31000/- per month for first two years and Rs. 35000/-per month for subsequent year + admissible HRA) in a Science and Engineering Research Board project (CRG/2018/002654) entitled "Approximation Methods for Problems in Fractional Calculus of Variations " sanctioned for 36 months (2019-2022). The post is temporary and co-terminus with the project.

Essential Qualifications: The candidate should be M.Sc. in Mathematics and should have qualified NET/GATE with consistently good academic record (at least 60% mark in M.Sc.). Preference will be given to candidates having knowledge in the area of the project.

Desirable Qualifications: Knowledge of the programming languages like Matlab/Mathematica is desirable.

Upper age limit is 28 years with 5 years relaxation for Female/SC/ST/Physically Challenged candidates as per DST rules. Application on a plain paper giving name, permanent and corresponding address, name of father and mother, telephone no. and email address, details of educational career (starting from high school or equivalent) along with the self-attested copies of mark-sheets and certificates and details of any research or other experience etc., if any, should reach within 21 days of advertisement to the principal investigator:

Dr. Rajesh Kumar Pandey,
Department of Mathematical Sciences,
Indian Institute of Technology
(Banaras Hindu University),
Varanasi-221005
Email: rkpandey.mat@iitbhu.ac.in

Note: No TA/DA will be paid if called for interview.
