

IIT-BHU to focus on startup progs: Dir

Varanasi: Newly-appointed director of IIT-BHU Prof Pramod Kumar Jain said that he aims to bring this institute not only in the list of top 10 institutes of India but also in top 100 institutes in the world.

Talking to reporters on Monday, Jain said that to achieve this goal he would try to upgrade academics system, research innovation and development programme to generate their resources. He said that the institute would focus on startup programme so that students can become job creator not a job seeker. TNN
