

Upcoming Projects of IIT (BHU)

ALUMNI RESOURCE CENTRE

The need for an Alumni Resource Centre has long been felt in the I.I.T. BHU Campus. Despite it being one of the Premium Engineering Education Institution of the nation, I.I.T. does not have a convention centre for organising national and international level seminars, conferences, exhibitions and events.

ALUMNI RESOURCE CENTRE

The Resource Centre has been planned on a vacant tract of land adjacent to the IIT guest house. This is a fairly central location of the B.H.U. campus and offers ample space for parking and green areas.

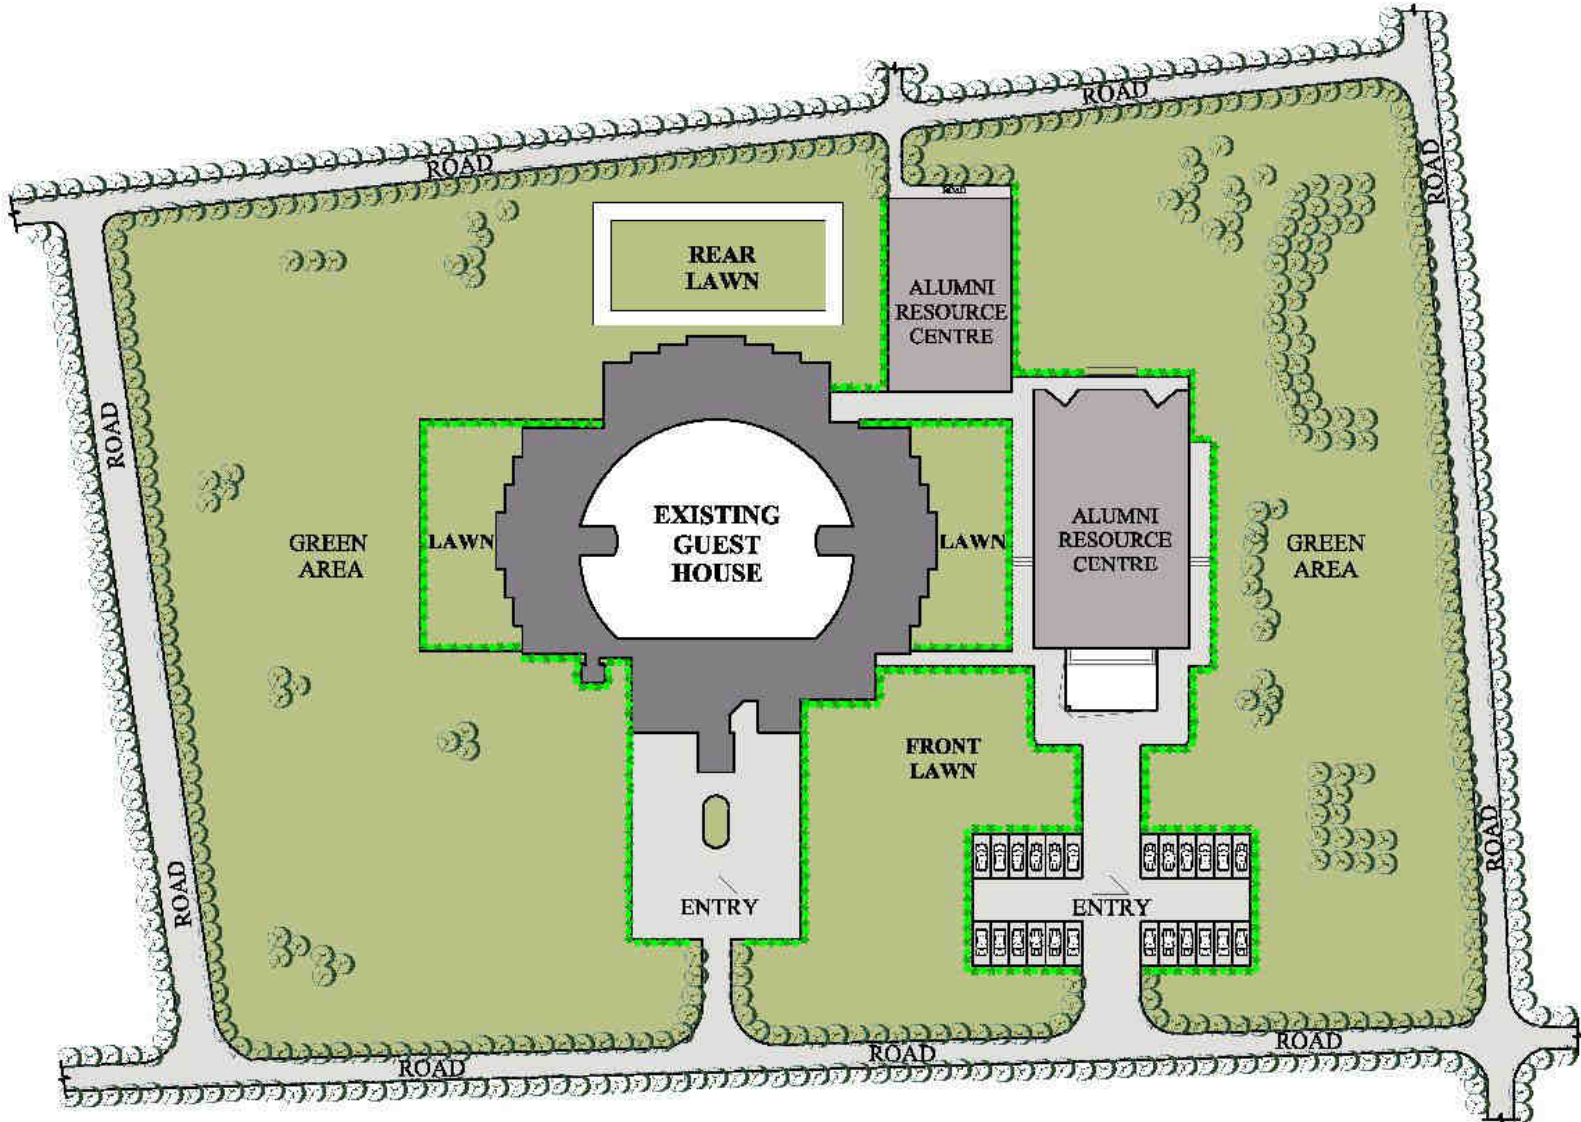

ALUMNI RESOURCE CENTRE

The centre has following salient features:

- 1) Auditorium for 378 persons.
- 2) Dining Hall for 88 persons plus 20 seats for V.I.P.s.
- 3) Seminar Hall area 380 sq.m.
- 4) 2 Exhibition Halls area 156 sq.m. +186 sq.m.
- 5) 52 Premium Guest rooms in 4 floors.
- 6) No. of floors 5 floors.
- 7) Total Built up Area of Project = 4275 sq.m.
- 8) Estimated cost of construction 20.25 Crore.
